### **Integrated Management System (IMS) Policy**

We at 'Dharti Dredging and Infrastructure Ltd.'(DDIL) as a service provider for Dredging & Marine construction services including Reclamation, Trenching & Backfilling for oil & gas pipelines, River Restoration and associated onshore civil works recognize Quality, Health, Safety & Environment as an integral part of our overall business philosophy.

By implementation of Quality, Health, Safety & Environmental management systems, we are committed to:

- Adhere to the requirements of Integrated Management system, customers, and interested parties and continually improve the effectiveness of the Integrated Management System thereby giving most qualitative, cost effective, consistent services and ensure customer satisfaction.
- Conduct our business with integrity, applying ethical principles to our relationships with customers, employees, suppliers and other stakeholders.
- Contribute to sustainable development by promoting greater environmental, health and safety practices.
- Achieve sustainable growth through Protection of environment and promoting pollution prevention practices and conserving resources with eco efficient process.
- Create an injury free and healthy workplace by eliminating or reducing hazards and at-risk behaviors, control of OH&S risks using the hierarchy of controls and promote wellness.
- Comply & satisfy all applicable legal & other requirements.
- Communicate the policy to all employees working in the organisation.
- Implementing collective decision-making process in the Integrated Management System
